

AYALA

In 1990, in Piaseczno near Warsaw, we started writing the history of our family firm. In a newly founded factory, highly qualified professionals with vast experience using state-of-the-art equipment began production of manually crafted hair salon furniture. Today, after nearly 30 years, full of difficulties but also satisfaction, our products can be found in hair salons all over the world.

The AYALA furniture is manufactured manually in accordance with the best carpentry practices and using cutting edge, advanced machinery technologies, which support human work. Our qualified personnel prepare each piece with the highest care, ensuring top workmanship precision of even smallest details. In each product, we endeavour to combine the design, comfort and functionality while keeping adequate proportions.

We are fully aware of how important the choice of working tools is. Therefore, through a wide range of hair salon furniture, we are able to support you in creating design and furnishing of your own salon. It is your needs and requirements which motivate us to continue our development. There is no greater satisfaction than yet another fulfilment of your ideas with us.

We are experts in quality and production of hair salon furniture - you know what you require - so let us do it together.

Create it!

En 1990, en Piaseczno, cerca de Varsovia, comenzamos a escribir la historia de nuestro negocio familiar. En la recién establecida fábrica, especialistas altamente calificados con amplia experiencia, que utilizan las máquinas más modernas, comenzaron la producción de muebles de peluquería hechos a mano. Hoy, después de casi 30 años duros, pero también llenos de satisfacción, nuestros productos se pueden encontrar en salones de peluquería en todo el mundo.

Los muebles de AYALA se producen a mano, conforme al arte de la carpintería tradicional y utilizando las últimas tecnologías de maquinaria avanzada que dan soporte al trabajo humano. Los empleados calificados preparan cada pieza cuidando de la precisión y de cada hasta el más mínimo detalle. En cada producto, tratamos de combinar el diseño, la comodidad y la funcionalidad, manteniendo las proporciones adecuadas.

Somos conscientes de lo importante que es seleccionar herramientas para el trabajo. Por lo tanto, a través de una amplia gama de muebles de peluquería, podemos apoyarte en el proceso creativo de diseñar y organizar tu propio salón. Son tus necesidades y requisitos los que nos motivan al desarrollo continuo. Nada nos satisface más que el hecho de que vuelvas a implantar tus ideas con nosotros.

Nosotros sabemos de la calidad y de la elaboración de los muebles de peluquería, tú sabes lo que necesitas en tu salón, así que creémoslo.

Create it!

AYALA IS...

EXPERIENCE

Since 1990, we have learnt a new thing each day. We discover and learn new techniques and tools. We look for inspiration, expressive materials and interesting colours. We put them together to freely realise our ideas while using our products.

CREATION

We are glad to participate in creation of new and exceptional places. That is why all you have to do is to imagine the salon of your dreams and tell us about it: furniture style, colour, upholstery texture and other details of importance. We will do the rest. May your salon be unique – to your own and your customers' delight.

COMFORT

We make sure that products of your choice are safely delivered to your salon. We ensure transport in Poland and abroad. When you receive our furniture all you have to do is to unpack it and arrange in the right place – it does not require any fitting or installation. Remember though that electrical and plumbing connections should be made by a specialist.

SAFETY

Choosing our products, you are provided with a 24-month warranty for hair salon furniture and subassemblies (fittings, lifts, bases, drawer and installation systems, etc.) plus a 12-month warranty for electrical appliances and their parts. You may rest assured that all equipment is of superior quality.

SUPPORT

We are aware how important it is for you that all equipment is operable and available on site – at your salon; therefore, any technical services are provided directly at your place. If more complex work is required, we provide replacement furniture for repair period. We only require delivery of electrical appliances to us. Thus, we make sure your business is in good shape.

AYALA ES...

EXPERIENCIA

Desde 1990, cada día aprendemos algo nuevo. Vamos conociendo nuevas técnicas y herramientas. Estamos buscando inspiración, materiales expresivos y colores interesantes. Los combinamos para que, eligiendo nuestros productos, se pueda realizar libremente una idea propia.

CREACIÓN

Estamos felices cuando podemos participar en la creación de lugares únicos. Por eso basta con que imagines un salón de tus sueños y nos cuentes sobre él: sobre el estilo, los colores de los muebles, las texturas de la tapicería y los detalles que son importantes para ti. Nosotros nos encargaremos del resto. Deja que surja un salón único que te encantará a ti y a tus clientes.

COMODIDAD

Cuidamos de que los productos que elijas lleguen seguros a tu salón. Proporcionamos transporte en el país y en el extranjero. Cuando recibas nuestros muebles, basta con desembalarlos y colocarlos, ya que no requieren ensamblaje. Recuerda, sin embargo, que la conexión eléctrica e hidráulica debe ser realizada por un especialista.

SEGURIDAD

Al elegir nuestros productos obtienes una garantía de 24 meses para los muebles de peluquería y sus componentes (accesorios, elevadores, bases, sistemas de cajones, sistemas de montaje, etc.) y una garantía de 12 meses para los dispositivos eléctricos y sus componentes. Puedes estar seguro de la calidad.

ASISTENCIA

Sabemos lo importante que es para ti que todos los equipos sean operativos y estén disponibles in situ en tu salón, por eso brindamos el servicio de muebles de peluquería directamente en tu sitio. Si se requiere una labor más compleja, proporcionamos muebles de reemplazo para la duración de la reparación. Sólo en el caso de dispositivos eléctricos, rogamos que nos los mandes. Cuidamos de tu negocio.
